HELP US HELP ALL PEOPLE.

We're so glad you're here.

Hosting an event in support of the shelter is a powerful and fulfilling way to make meaningful change in the lives of those fleeing abuse. We know that you care about your community and the effects of family abuse on its members. We believe that we can end family abuse, but we cannot achieve that goal without the support of people like you.

Let's work together to create a safer and healthier community free of abuse.

By hosting an event you can foster an atmosphere of humanity, empathy and kindness within your workplace, school or social circle. Financial support is essential for our programs and services to continue and to succeed. Events increase awareness and decrease tolerance of family abuse and its impact on society. You can help us provide help for ALL people by hosting an event in support of our shelter and services.

THE HOW AND THE WHAT?

Here is your chance to get creative. We encourage and support events big and small! This can range from a purse party, a 5K run, workplace teambuilding activities, charity BBQ's, silent auctions or even golf tournaments. The sky is the limit for the types of events that can be held. If you are passionate about one of our programs in particular, we can often facilitate that the funds that you collect can be used directly for that program.

WE'RE HERE TO HELP YOU.

We are happy to help you in making your event a success. We can assist you with event ideas, raffle licenses, promotional/marketing tips and some* print materials. Contact our team to discuss your idea and get more information anytime.
